It is subd that the reference will have to be made to the Govt of India for the confirmation of Mr. Sell in the Education Dept of the State

If the Principal, Central College, were to renew in Oct '07 the question of the confirmation of Mr Sell as now directed (vide Memo C / on file 341 of 06 serial No 2 or No 9978 / dated the 27th April 1907), there will be no time perhaps, to get the sanction of the Govt of India in time (i.e. before the 27th Oct. 07) the date on which the present probationary period (will cease)

In that letter, the Residency have expressly ~~suggested~~ requested that a reference should be made to them in the event of a proposal to confirm Mr Sell at the end of the Probationary period

The question for decision is whether or not the direction given to the Principal Central College to report the question of confirmation of Mr Sell in Oct 1907, is correct If the whole question is to be taken up in Oct next, then we are likely to be blamed for sending the application (for the confirmation of Mr Sell to the Govt of India) rather late

Extract from the Proceedings of the 180th Meeting of the Council of His Highness the Maharaja, held at Bangalore on the 9th September 1907

III. Subject - (Clause V of Schedule).

Question of the confirmation of Mr.F.R.Sell, in the Educational service.

O P I N I O N

The Council is not prepared to recommend Mr. Sell's confirmation at present. His confirmation or even permanent retention in service will depend upon what future arrangements will be necessary to give effect to the new University Regulations.

At present however, Mr.Sell's retention on probation may be approved up to the end of December 1908, and he may be told that Government are n o t prepared to guarantee his retention after that period Meanwhile his pay may be increased to Rs.500 per mensem from the 1st November 1907. The Council understands that he is agreeable to this arrangement and has expressed to the Dewan his willingness t o accept these terms.

Submitted to His Highness

N & T

In October 1904, Mr F R Sell, B A , was appointed Professor of English Language and Literature in the Central College on Rs 400 per mensem, on probation for 3 years The period of probation expires on the 27th October 1907, and the question of his further retention in service has to be decided

In connection with the question of the reorganization of the Colleges under the new University Regulations, the Inspector General of Education has recommended that the Maharaja's College, Mysore, may be amalgamated with the Central College, Bangalore, with effect from January 1909 and that the present staff for teaching English in the Mysore College may be employed at Bangalore. If this is done, he considers that Mr Sell's services would have to be dispensed with from the end of December 1908

(Vide Cooke's Let)

T

Mr. Cook on the other hand reports that Mr Sell has given satisfaction in the discharge of his duties and that he should be confirmed in his appointment

15

The matter was considered by the Council and their opinion is contained in the appended extract from the Council Proceedings

The Council are not prepared to recommend Mr Sell's confirmation at present, as his permanent retention in the service must depend upon what future arrangements will be necessary to give effect to the new University Regulations They are of opinion that for the present Mr Sell may be continued on probation up to the end of December 1908 and that he may be informed that Government are not prepared to guarantee his retention after that period

Mr Sell has been drawing Rs 400 for the past 3 years It was intended that after confirmation he should be placed in the Rs 400-50-700 grade In view of the fact that his services may have to be dispensed with the Council recommend that his pay may be increased to Rs 500 per mensem from the 1st November 1907

If approved, the Residency will be addressed in the matter

Mr Sell has expressed to me his willingness to accept the above terms
